Attachment 1 of 1 to CLM-2026-0008

DOC-C008-01 | Consultation / Operative Planning Note (submitted with CLM-2026-0008)

Clinic: Aurora Plastic & ENT Clinic (synthetic) | **Date:** 2026-09-22 (consult), procedure performed 2026-10-05
Patient: MBR-100078 (30-year-old female)

Reason for consult: Patient requests change in nasal shape and tip appearance.
History: Denies nasal obstruction, snoring, recurrent sinus infections or prior nasal trauma.
Exam: Straight septum, patent airways bilaterally. No functional impairment noted.
Plan: Elective primary rhinoplasty for aesthetic improvement. Patient informed that insurance coverage is unlikely.
